

Part No : RT2-20-SMP

DC-20GHz,2W,SMP Male Coaxial Fixed Terminations

Electrical Specifications:

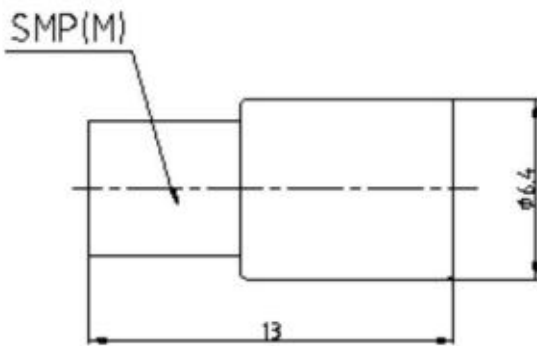

Frequency Range:	DC-20GHz
VSWR:	≤ 1.35
RF Power Handling:	≤ 2 Watts
Impedance:	50 Ohms

Mechanical Specifications:

Operation Temperature:	-55°C - +125°C
Storage Temperature:	-55°C - +125°C
Body Material:	Stainless Steel
Center Conductor:	Male:Brass, Golden
Connectors:	SMP Male
Relative Humidity:	$\leq 90\%$

Outline Drawing:

Unit: mm

Note:

Nominal impedance: 50Ω

Average power: 2W corresponding to the ambient temperature 25° C, when the temperature rises to 125° C, the power linearly decreases to 0.1W.

Connector type: SMP(M)

Ordering Information:

Part Number	Description
RT2-20-SMP	DC-20GHz,2W,SMP Male Coaxial Fixed Termination
